- The Salutation of The Dawn -

For yesterday is but a dream,
And tomorrow is only a vision;
But today well lived
Makes every yesterday a dream
of happiness,
And every tomorrow a vision of
hope.

- Club Collect -

"Keep us, O God, From pettiness; let us be large in thought in word, in deed.

Let us be done with faultfinding and leave off self-seeking.

May we put away all pretense and meet each other face to face without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straight-forward and unafraid.

Grant that we may realize it is the little things that create differences, that in the big things of life we are at one.

And may we strive to touch and know the great, common, human heart of us all, and, oh, Lord God, let us forget not to be kind."
