Regarding the Has-Been

I'd rather be a Could-be  
If I could not be an Are.  
For a Could-be is a May-be  
With a chance at touching par.

I'd rather be a Has-been  
Than a Might-have-been, by far;  
For a Might-have-been has never been,  
But a Has-been was an Are.
