Thought for the Year.

"People are lonely because they build walls instead of bridges."

Joseph Newton

Collect for Club Women

Keep us, Oh God, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault finding and leave off self seeking. May we put away pretense, and meet each other face to face, without self pity and without prejudice. May we never be hasty in judgement and always generous. Let us take time for all things, make us calm, serene and gentle. Teach us to put into action our better impulses straight forward and unafraid.

Grant that we may realize it is the little things that create differences, that in the big things of life we are at one.

And may we strive to touch and
know the great common human
heart of us all and Oh Lord God,
let us not forget to be kind.
